Poll Everywhere Quicklink Setup for Mobile

Due to insufficient cell phone signal within buildings at Dartmouth, it will be necessary to connect to Dartmouth Secure via the WiFi setting on your device.

For questions about connecting your device to Dartmouth Secure, contact help@dartmouth.edu.

iPhone/iPad/iTouch

To add a URL shortcut on the Home Screen:
1. Enter the Poll Everywhere URL provided by your instructor.  
   Example: poll.ev.com/sitename
2. Select the Action button.

3. From the available options, select Add to Home Screen.

4. Name the icon and select Add.

Android (May vary by device and OS version)

To add a URL shortcut to the Home Screen:
1. Enter the URL shortcut provided by your instructor.  
   Example: poll.ev.com/sitename
2. Touch and hold on the URL field.
3. From the resulting menu, select Add to Home Screen.
